*We Sat Beside Your Bedside*

*We sat beside your bedside  
Our hearts crushed and sore  
We did our duty to the end  
Til we could do no more*

*In tears we watched you sinking  
We watched you fade away  
And though our hearts were breaking  
We knew you could not stay*

*You left behind some breaking hearts  
That loved you most sincere  
We never shall and never will  
Forget you*

***Please take a moment to remember

***When I'm Gone***

*When i come to the end of my journey  
And i travel my last weary mile  
Just forget if you can, That i ever frowned  
And remember only the smile*

*Forget unkind words i have spoken  
Remember some good i have done  
Forget that i ever had a heartache  
And remember i've had loads of fun*

*Forget that i have stumbled and blundered  
And sometimes fell by the way  
Remember i have fought  
Some hard battles and won  
Ere the close of the day*

*Then forget to grieve for my going  
I would not have you sad for a day  
But in summer just gather some flowers  
And remember the place where i lay*

*And come in the evening  
When the sun paints the sky in the west  
Stand for a few moments beside me  
And remember only my best*
