Welcome And Opening Words

God's Garden

God looked around his garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He didn't want you to suffer
Or cause you any pain
But he knew that you would never
get well on this earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered " Peace be thine"
It's breaking our hearts to lose you
But you did not go alone....
For part of us went with you The
day God called you home.
