

IN LOVING MEMORY OF

Linda Lines

28th April 1948 - 10th January 2024

Linda

Born on 28.04.1948 Linda lived a life full of love and complete empathy for her loved ones and friend's throughout her life.

A devoted wife, mum, nan and great nan which she was lovingly called nanny bo bo for years then later developing into Nanny ro ro. She had so much love in her heart for her late mum, dad and sister carrying through to the day she passed to her brother John. She loved unconditionally her two sons Jason and Adrian all throughout their lives growing from boys to men. Linda's love in her heart became so much bigger as her son's married, sharing her unconditionally love with her daughter in laws, grand children and great grand children.

Linda lived a life of simplicity finding love joy and comfort and cherishing all the special moments spent with her loved ones.

Linda leaves behind so many cherished memories to everyone whom was lucky enough to share her love and will be carried in our hearts always.

Linda may not be with us in a physical sense, may we take great comfort in knowing she is still all around us loving and cherishing us as always will.

Sleep tight beautiful angel may you rest in eternal peace

'M THERE INSIDE YOUR HEART'

Right now I'm in a different place

And though we seem apart

I'm closer than i ever will was...

I'm there in your heart.

I'm with you when you greet each day

And while the sun shines bright

I'm there to share the sunsets too...

I'm with you every night.

I'm with you when the times are good

To share a laugh or two

And if a tear should start to fall

I'll still be there for you.

And when that day arrive

That we are no longer apart

I'll smile and hold you close to me ...

Forever in my heart

There are not enough words to fully express our heartfelt thanks for the love, sympathy and support during this difficult time of loss. Adrian extends his deepest thanks to family and friends that supported linda through a truely difficult time .

All donations adrian and family would kindly like to go to Douglas Macmillan Hospice .

MANY THANKS
