Dad, Whats It Like In Heaven
by
Parricia A Fleming
extract***

If time exists in heaven,
Do you still rise with the sun?
Do you and Mum share breakfast
Before your day has begun?
Can the heavens hear your laughter
As you sit and reminisce
About the time we had together
And other people that you miss?

Is music all around you,
All those songs you held so dear?
Do you and Mum sing together,
The way you did when you were here?
