Poem 1, by an anonymous author

Read by David

Today we celebrate our union
In the way that we're allowed
Becoming your lifelong partner
makes me so very proud.

So what, it's not conventional
It may not be considered the "norm"
But we've got this far together
and we've ridden through the storm.

In front of all who love us
and know us for who we are
We'll commit ourselves to each other
and live our happy ever after.

Thank you to everyone for
being here sharing our special
day with us.

With Love

David and Daniel
