Laya & Graham's tips on a healthy relationship

- . Love is like a fart, if you have to force it then its probably s***
- . Whenever you are wrong, admit it. Whenever you are right, shut up.
- . Marriage is when a man and woman become as one, deciding which "one" is when the adventure begins.
- . In every good marriage it pays sometimes to be a little deaf.
- . Marriage is like a deck of cards. In the beginning all you need are two hearts and a diamond. By the end you wish you had a club and a spade.
- . Behind every great man is a woman rolling her eyes.
- . Marriage is the bond between a person who never remembers anniversaries and another who never forgets them.

But on a serious note:

- . Happy marriage's begin when we marry the ones we love and they blossom when we love the ones we marry.
