*One more step along the world I go,  
One more step along the world I go,  
From the old things to the new,  
keep me travelling along with you*

*And it's from the old I travel to the new  
keep me travelling along with you.*

*Round the corners of the world I turn,  
more and more about the world I learn.  
All the new things that I see,  
you'll be looking at along with me.*

*As I travel through the bad and good,  
keep me travelling the way I should.  
Where I see no way to go,  
you'll be telling me the way I know.*

*Give me courage when the world is rough,  
keep me loving though the world is tough.  
Leap and sing in all I do,  
keep me travelling along with you.*

*You are older than the world can be,  
you are younger than the life in me.  
Ever old and ever new,  
keep me travelling along with you.*
