Ladies - Wedges/Flat Shoes Recommended!

We know it is not tradition, it's not the way it's ordinarily done, but instead of a wedding gift we'd like a bit of sun.

We've lived together for quite some time, Anyon House is our retreat, we've got all our pots & pans so our home is already complete.

So if you'd like to give a gift, to help us celebrate, some money towards our honeymoon we'd truly appreciate.
