### ***Break Stuff***

Limp Bizkit

It's just one of those days where you don't want to wake up  
Everything is fucked, everybody sucks  
You don't really know why but you want to justify  
Rippin' someone's head off  
No human contact  
And if you interact, your life is on contract  
Your best bet is to stay away motherfucker  
It's just one of those days

*It's all about the he says, she says bullshit  
I think you better quit, let the shit slip  
Or you'll be leaving with a fat lip  
It's all about the he says, she says bullshit  
I think you better quit, talking that shit*

It's just one of those days, feeling like a freight train  
First one to complain leaves with a bloodstain  
Damn right, I'm a maniac  
You better watch your back 'cause I'm fucking up your program  
And if you're stuck up, you just lucked up  
Next in line to get fucked up  
Your best bet is to stay away, motherfucker  
It's just one of those days

### *Chorus*

I feel like shit  
My suggestion, is to keep your distance  
'Cause right now I'm dangerous  
But we've all felt like shit  
And been treated like shit  
All those motherfuckers that want to step up

I hope you know, I pack a chainsaw (chainsaw)  
I'll skin your ass raw (ass raw)  
And if my day keeps going this way, I just might  
Break something tonight  
I pack a chainsaw (chainsaw)  
I'll skin your ass raw (ass raw)  
And if my day keeps going this way, I just might  
Break something tonight  
I pack a chainsaw (chainsaw)  
I'll skin your ass raw (ass raw)  
And if my day keeps going this way, I just might  
Break your fucking face tonight

Give me something to break  
Give me something to break  
Just give me something to break  
How 'bout your fucking face?

I hope you know, I pack a chainsaw  
What?  
A chainsaw  
What?  
A motherfucking chainsaw  
What?  
So come and get it

It's all about the he says, she says bullshit  
I think you better quit, let the shit slip  
Or you'll be leaving with a fat lip  
It's all about the he says, she says bullshit  
I think you better quit, talking that shit, punk  
So come and get it
