WELCOME & OPENING WORDS

Abide With Me

Abide with me, fast falls the eventide
The darkness deepens, Lord, with me abide
When other helpers fail and comforts flee
Help of the helpless, O abide with me.

I need your presence every passing hour,
What but thy grace can foil the tempter's power?
Who, like yourself my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.

I fear no foe with you at hand to bless
Ills have no weight, and tears no bitterness
Where is death's sting? Where, grave, your victory?
I triumph still, if you abide with me.
