'Wind Beneath My Wings'

Bette Midler

"Did you ever know that you're my hero
And everything I would like to be?
I can fly higher than an eagle
For you are the wind beneath my wings'

Each time we see your picture,
You seem to smile and say
'Don't cry, I'm in God's keeping
We'll meet again someday.'

You never said 'I'm leaving',
You never said goodbye,
You were gone before we knew it,
And only God knew why.

A million times we needed you,
A million times we cried,
If love alone could have saved you,
You never would have died.

In life we loved you dearly,
In death we love you still ,
In our hearts you hold a place,
That no one could ever fill.

It broke our hearts to lose you,
But you didn't go alone,
For part of us went with you,
The day God took you home.
