Reading

As the gentle breeze of springtime warms our winter world,

a new year begins.

As the golden sun of morning scatters the shadows of the night,

a new day begins.

As our Lord Jesus Christ reaches out to take our hand at the gate of death,

so a new life begins

Eternal God who scatters the stars into the blackness of space, who watches when the smallest sparrow falls, who knows the wonder of joy and the agony of despair, and who delights in all that he has made, we give our loved one into your care.

All Things Bright and Beautiful

Refrain:

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

1. Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings.

Refrain

2. The purple-headed mountain,
The river running by,
The sunset and the morning,
That brightens up the sky;

Refrain

3. The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one;

Refrain

5. He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well.

Refrain.
