INTO THE MYSTIC

*We were born before the wind
Also, younger than the sun
And the bonnie boat was won
As we sailed into the mystic
Hark now, hear the sailors cry
Smell the sea and feel the sky
Let your soul and spirit fly
Into the mystic
When that fog horn blows
I will be coming home
When that fog horn blows
I wanna hear it, I don't have to fear it
I wanna rock your gypsy soul
Just like way back in the days of old
Then magnificently we will float
Into the mystic*

EXIT MUSIC
