

We're getting married

AILIE & RINA | 07.05.24 | NYC

Rina Negreros Balvanera & Jennifer Ailie Stewart

You deserve a lover who wants you disheveled, with everything and all the reasons that wake you up in haste and the demons that won't let you sleep.

You deserve a lover who makes you feel safe, who can consume this whole world if they walk hand in hand with you; someone who believes that their embraces are a perfect match for your skin.

You deserve a lover who wants to dance with you, who goes to paradise every time they look into your eyes and never gets tired of studying your expressions.

You deserve a lover who listens when you sing, who supports you when you feel shame and respects your freedom; who flies with you and isn't afraid to fall.

You deserve a lover who takes away the lies and brings you hope, coffee and poetry.
