Poem

Look for me in Rainbows

*Time for me to go now, I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me & love me,
As you know I love you.*

*Time for me to go now, I won't say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset,
When all the world is through,
Just look for me & love me
And I'll be close to you.*

*It won't be forever, the day will come & then
My loving arms will hold you,
When we meet again.*

*Time for us to part now, we won't say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment and
All your whole life through
Just look for me & love me,
As you know I loved you.*

*Just wish me near to you
And I'll be there with you.*
