THE TIDE RECEDES

by MD Hughes

The tide recedes,
But leaves behind bright seashells on the sand.
The sun goes down,
But gentle warmth still lingers on the land.
The music stops,
Yet echoes on in sweet, soulful refrains.
For every joy that passes,
Something beautiful remains.

FAREWELL

A life well lived

A life well lived is a precious gift
Of hope and strength and grace,
From someone who has made our world
A brighter, better place.

It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared
And laughter through the years.
A life well lived is a legacy
Of joy and pride and pleasure,
A living, lasting memory
Our grateful hearts will treasure.
