*"Wedding Poem" by Whitney Hanson*

*They say that sometimes love starts with a spark.*

*And that might be true, but if I were to wish you a love, I wouldn't wish  
fire for you.*

*You see, fire is powerful. It burns bright and then it's gone.  
It's beautiful and warm, but it doesn't last long.*

*So instead of wishing you a love that burns, I wish you a love like a river  
twists and turns. It changes and it flows, It is powerful and free. But it  
consistently finds its way back to the sea.*

*And so like the water, I hope your love is ever growing, ever changing. I  
hope your love is powerful and free, And may you always find each  
other,*

*Like a river finds the sea.*

*"Friendship" by Judy Bielicki*

*It is often said that it is love that makes the world go round.*

*However, without doubt, it is friendship which keeps our spinning existence on an even keel.*

*True friendship provides so many of the essentials for a happy life—it is the foundation on which to build an enduring relationship, it is the mortar which bonds us together in harmony, and it is the calm, warm protection we sometimes need when the world outside seems cold and chaotic.*

*True friendship holds a mirror to our foibles and failings, without destroying our sense of worthiness.*

*True friendship nurtures our hopes, supports us in our disappointments, and encourages us to grow to our best potential.*

*Bride and Groom came together as friends.*

*Today, they pledge to each other not only their love, but also the strength, warmth and, most importantly, the fun of true friendship.*
