Yours until tomorrow

Comforting words

One at Rest

By A J Stanely

Think of me as one at rest, for me you should not weep I have no
pain no troubled thoughts for I am just asleep

The living thinking me that was, is now forever still
And life goes on without me now, as time forever will.

If your heart is heavy now because I've gone away

Dwell not long upon it friend

For none of us can stay

Those of you who liked me, I sincerely thank you all

And those of you who loved me, I thank you most of all.

And in my fleeting lifespan, as time went rushing by I found some
time to hesitate, to laugh, to love, to cry Matters it now if time

began If time will ever cease?

I was here, I lived my life,

And now I am at peace.
