**Hymn**

**Abide with me**

**Abide with me, fast falls the eventide  
The darkness deepens Lord, with me abide  
When other helpers fail and comforts flee  
Help of the helpless, oh, abide with me**

**Swift to its close ebbs out life's little day  
Earth's joys grow dim, its glories pass away  
Change and decay in all around I see  
O Thou who changest not, abide with me**

**I fear no foe, with Thee at hand to bless  
Ills have no weight, and tears no bitterness  
Where is death's sting? Where, grave, thy victory?  
I triumph still, if Thou abide with me  
Hold Thou Thy cross before my closing eyes  
Shine through the gloom and point me to the skies  
Heaven's morning breaks, and earth's vain shadows flee  
In life, in death, o Lord, abide with me**

***Love you always Grandad
