### OPENING HYMN

All Things Bright and Beautiful

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful  
'Twas God that made them all

Each little flower that opens  
Each little bird that sings  
He made their glowing colors  
And made their tiny wings

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful  
'Twas God that made them all

The purple headed mountains  
The rivers running by  
The sunset and the morning  
That brightens up the sky

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful  
'Twas God that made them all

The cold wind in the winter  
The pleasant summer sun  
The ripe fruits in the garden  
He made them every one

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful  
'Twas God that made them all

He gave us eyes to see them  
And lips that we might tell  
How great is the Almighty  
Who has made all things well

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful  
'Twas God that made them all
