

I Danced on a Friday and the sky turned black
Its hard to dance with the Devil on your back
They buired my body and they thought I'd gone
But I am the dance and I still go on.

****Dance then wherever you may be
I am the lord of the Dance said he.****

They cut me down and I leapt up high
I am the life that'll never die
I'll live in you if you'll live in me
I am the Lord of the Dance said he.

****Dance then wherever you may be
I am the lord of the Dance said he.****

HYMN 2: One More Step Along the World I Go

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you

And its from the old I travel to the New Round the corners of the World I turn

Round the corners of the world I turn
More and more about the world I learn
And the new things that I see
You'll be looking at along with me

And its from the old I travel to the New Round the corners of the World I turn

As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know

And its from the old I travel to the New Round the corners of the World I turn

Give me courage when the world is rough
Keep me loving through the world is tough
Leap and sing in all I do
Keep me traveling along with you

**And its from the old I travel to the New
Round the corners of the World I turn**

As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know

**And its from the old I travel to the New
Round the corners of the World I turn**

Give me courage when the world is rough
Keep me loving through the world is tough
Leap and sing in all I do
Keep me traveling along with you

**And its from the old I travel to the New
Round the corners of the World I turn**

You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me traveling along with you

**And its from the old I travel to the New
Round the corners of the World I turn**

THE LORDS PRAYER

All: Our Father, who art in heaven,
hallowed be thy name; thy kingdom come,
thy will be done,
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation,
but deliver us from evil.
For thine is the kingdom,
The power and the glory,
For ever and ever.
Amen
