

with love and thanks

Roman Jude Beckford | 09 December 2023

Thank you for the gifts for Roman,

Some were used right from the start,
Keeping Roman cozy and close to our heart,

Others joined us on our journey to Sri Lanka,
Creating memories that will forever anchor,

From tiny socks to cuddly toys,
You showered us with love and joy,

In a far off land, under the tropical sun,
We explored new sights and had so much fun,

Roman giggled and played, his eyes bright with wonder,
Your gifts made our journey even fonder,

So thank you for your kind gestures,
For filling our hearts with endless pleasure,

With each item you gave, a piece of you we cherish,
For your love and thoughtfulness, we will forever relish.

Lots of love Samuel, Verity & Roman
