Remember me

*Don't remember me with sadness
Don't remember me with tears
Remember me with all the laughter
We shared throughout the years*

*Please don't be unhappy
Just Because I'm out of sight
Remember that I am with you
Each morning, noon and night*

*When you are walking down the street
And you have got me on your mind
I'm walking in your footsteps
Only half a step behind*

*Our family chain is broken
And nothing seems the same
As we reunite one by one
The chain will link again*
