Memories Of You Mum

*It's been the hardest thing to lose you
You meant so much to me
But you are in my heart Mum
And that's where you'll always be
I know that Heaven called you
But I wish you could have stayed
At least the memories I have of you
They will never fade
I did not want to lose you
But you did not go alone
Because a part of me went with you
When Heaven called you home
So just remember one thing
We are not apart
You're with me in my memories
And in my broken heart*

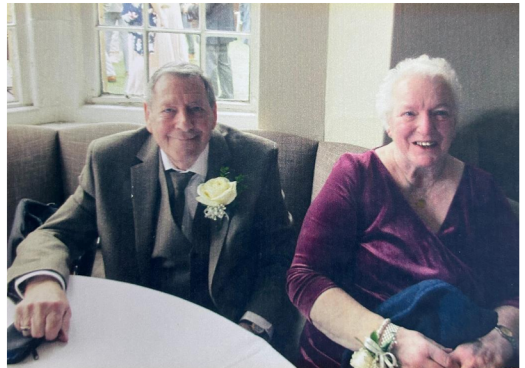

David's Thoughts

*'You always said you wanted to be the first
of us to say the final goodbye...
Now I'm the one left with the memories.'*

*'She lived her life to the full, not many days
I can say were dull.'*

*'I couldn't ask for a better friend, we've
shared our path to the very end.'*

*'I can't believe I won't be able to talk to you again.
But my thoughts of us together, will help to ease
the pain.'*

For our Grandma

*Your kindness and love was so special,
And your heart so pure and true.
You made the world a better place
Just by being you.*

*We miss you Grandma, so dearly.
We wish you were here with us.
To help to guide us through the years
To be the people we want to be.
Words cannot describe the loss we feel
Having to say this last goodbye.
Not to have you here with us
To wipe the tears from our eyes,
But you'll never be forgotten,
In our hearts you'll always be,
And until we meet again, Grandma,
We'll keep your memory safe with us.*
