

Gem & Mike's First Dance Vote

In a break from tradition, the first dance is going to see us all joining Gem & Mike on the dance floor. However, the choice of song is yet to be determined and you need to vote for your favourite from the below. Be a little covert as you mark your choice, as the Bride and Groom have not seen this shortlist!

Footloose

Can't Stop the Feeling

Simply the Best

Summer Nights - Grease

Dancing Queen

This is the most important vote today, so choose wisely and mark your card, as you'll be dancing to it very soon! We'll be walking around shortly to collect your card.

Many thanks
