WELCOME & INTRODUCTION

Success" by Ralph Waldo Emerson`

To laugh often and much;
To win the respect of his family
And the affection of grandchildren;
To earn the appreciation of neighbours
And endure the hardship of unexpected challenges;
To appreciate the beauty of life's adventures;
To find the best in others;
To leave the world a bit better,
Whether by a sturdy home built,
A helping hand given,
Or a smile shared on a tough day;
To know even one life has breathed easier
Because he lived.
This is to have succeeded.

Weep not for me though I have gone
 Into that gentle night
Grieve if you will, but not for long
 Upon my soul's sweet flight
I am at peace, my soul's at rest
 There is no need for tears
For with your love, I was so blessed
 For all those many years
There is no pain, I suffer not
 The fear is now all gone
Put now these things out of your thoughts
 In your memory, I live on
Remember not my fight for breath
 Remember not the strife
Please do not dwell upon my death
 But celebrate my life
