

Chorus

I danced on a Friday and the sky turned black;
It's hard to dance with the devil on your back;
They buried my body and they thought I'd gone,
But I am the dance and I still go on.

Chorus

They cut me down and I leapt up high,
I am the life that'll never, never die;
I'll live in you if you'll live in me;
I am the Lord of the Dance, said he.

ONE MORE STEP ALONG THE WORLD I GO

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you
And it's from the old I travel to the new
Keep me traveling along with you

'Round the corners of the world I turn
More and more about the world I learn
And the new things that I see
You'll be looking at along with me
And it's from the old I travel to the new
Keep me traveling along with you

As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know
And it's from the old I travel to the new
Keep me traveling along with you

Give me courage when the world is rough
Keep me loving though the world is tough
Leap and sing in all I do
Keep me traveling along with you
And it's from the old I travel to the new

Keep me traveling along with you
You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me traveling along with you
And it's from the old I travel to the new
Keep me traveling along with you
