'WHEN TOMORROW STARTS WITHOUT ME', by David Romano

read by Donna Storey

You can shed tears that he is gone, or you can smile because he has
lived.

You can close your eyes and pray that he will come back, or you can
open your eyes and see all that he has left.

Your heart can be empty because you can't see him, or you can be full
of the love that you shared.

You can turn your back on tomorrow and live yesterday, or you can be
happy for tomorrow because of yesterday.

You can remember him and only that he is gone, or you can cherish
the memory and let it live on.

You can cry and close your mind, be empty and turn your back, or you
can do what he would want: smile, open your eyes, love, and go on.

A PICTURE TRIBUTE OF DAVE

'REMEMBER ME', by David Harkings
read by Paul Storey

And I am not there to see;
If the sun should rise
And find your eyes
Are filled of tears for me;
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here in your heart.
