***'WHEN TOMORROW STARTS WITHOUT ME' by David Romano***

read by Donna Storey

When tomorrow starts without me  
And I am not there to see:  
If the sun should rise  
And find your eyes are filled of tears of me:  
I know how much you love me  
As much as I love you.  
And each time that you think of me,  
I know you'll miss me too.  
So when tomorrow starts without me,  
Don't think we're far apart,  
For every time you think of me,  
I'm right here in your heart.

***'REMEMBER ME' by David Harkins***

read by Paul Storey

You can shed tear that he has gone, or  
you can smile because he has lived.

You can close your eyes and pray that he will come back, or you can  
open your eyes and see all that he has left.

Your heart can be empty because you cannot see him, or it can be full  
of the love that you shared.

You can turn your back on tomorrow and live yesterday, or you can be  
happy for tomorrow because of yesterday.

You can remember him and only that he has gone, or you can cherish  
the memory and let it live on.

You can cry and close your mind, be empty and turn your back, or you  
can do what he would want: smile, open your eyes, love and go on.
