### THE ENTRY OF THE BRIDE

Halo ~ Beyoncé

### Welcome & introduction

#### **HYMN**

All things bright and beautiful All things bright and beautiful All creatures great and small All things wise and wonderful Twas God that made them all Each little flower that opens He made their glowing colors And made their tiny wings All things bright and beautiful All creatures great and small All things wise and wonderful All things wise and wonderful 'Twas God that made them all The purple headed mountains
The rivers running by
The sunset and the morning The sunset and the morning That brightens up the sky All things bright and beautiful All creatures great and small All things wise and wonderful Twas God that made them all The cold wind in the winter The pleasant summer sun The ripe fruits in the garden He made them every one All things bright and beautiful All creatures great and small All things wise and wonderful Twas God that made them all He gaye us eyes to see them He gave us eyes to see them
And lips that we might tell
How great is the Almighty
Who has made all things well All things bright and beautiful All creatures great and small All things wise and wonderful 'Twas God that made them all
