Walk of life - Dire straits

You never got the chance to say I'm leaving,

You never got the chance to say goodbye.

You were gone before we knew it and we'll never really
understand why

In life we loved you dearly.

In death we love you still

It broke our hearts to lose you

But you never went alone

For part of us went with you the day you left home

In death we love you still

And in our hearts you hold a place no one could ever fill.
