HYMN

All Things Bright And Beautiful

CHORUS

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

Each little flower that opens
Each little bird that sings
He made their glowing colours
And made their tiny wings

CHORUS

The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky

CHORUS

The cold wind in the winter
The pleasant summer sun
The ripe fruits in the garden
He made them every one

CHORUS

He gave us eyes to see them
And lips that we might tell
How great is the Almighty
Who has made all things well

CHORUS

MARRIAGE

Marriage bonds two people in body and mind.
And allows them to appreciate the miracles they find.
Romance and compassion carry them along,
Respect and acceptance make the marriage strong
Imparting words and actions of love from deep inside,
Acknowledging each other while standing side by side
Great marriages are created by husbands and wives,
Eternally being grateful they are in each other lives.

*We give love and thanks to all our family and friends
who could be here today to share our special day*

*In the words of Archie Bristow
Let's get this party started!*
