*Our lives go on without you, but nothing is the same*

*We have to hide our heartaches, when someone speaks your name*

*Sad are the hearts that love you, silent the tears that fall*

*Living our lives without you, is the hardest part of all*

*You did so many things for us, your heart was kind and true*

*And when we needed someone, we could always count on you*

*The special years will not return, when we were all together*

*But with the love within our hearts, you will walk with us forever*

### *Appreciation*
