These tiny footprints

These are my footprints,
so perfect and so small.

These tiny footprints,
never touched the ground at all.

Not one tiny footprint,
for now I have my wings.

These tiny footprints were meant for other things.

You will hear my tiny footprints,
in the patter of the rain.

Gentle drops like angels tears,
of joy and not from pain.

You will see my tiny footprints,
in each butterflies' lazy dance.

I'll let you know I'm with you, if you give me just a chance.

You will see my tiny footprints,
in the rustle of the leaves.

I will whisper names into the wind,
and call each one that grieves.

Most of all, these tiny footprints,
are found in mummy's heart,

'cause even though I'm gone now,
we'll never truly part.

Lost without you

They call me the butterfly

I fought a good fight
Until God told me to, 'Rest
Let your soul shine bright
With no worries or stress
Im bringing you home:
You have family here.
To wait for those others
That you hold so dear.
gave him a nod,
And shut my eyes
I lifted my head
Then flew to the skies
"They call me The Butterfly
I laughed to the sun,
As i soared with your love
That can't be undone,
So don't weep at my grave
For i am not there.
have a date with the
butterflies.
To dance in the air
Ill be singing in the sunshine
My soul soaring free
Playing tag with the wind
While i'm waiting for thee."

If you could please join us with the holy prayer
Our Father, Who art in heaven, hallowed be Thy name; Thy kingdom
come; Thy will be done on carth as it is in heaven. Give us this day
our daily bread; and forgive us our trespasses as we forgive those who
trespass against us; and lead us not into temptation, but deliver us
from evil. Hail Mary, full of grace.
