Reflection of the life of Gail

Tribute to Gail

Poem

Whisky Woman.

*With laughter's lilt and a heart of gold,
She loved her family, stories untold.
Around the table, a gathering bright,
Whisky flowed freely, a warm, comforting light.*

*A woman of spirit, strong and true,
Her love for her loved ones shone through and through.
With every sip, a memorie's gleam,
Shared laughter and secrets, a cherished dream.*

*But mischief was brewing, a twinkle in her eye,
A prankster at heart, ready to try.
With a sly grin and a mischeveous wink,
She'd set a trap, a playful think.*

*A harmless suprise, a moment of scare,
The laughter would echo, a joyful sound,
As family and friends were gathered around.*

*In the warmth of her home, a sanctuary found,
Whisky and family, forever entwined.
A woman of spirit, with a heart so bright,
A loving prankster, a joyful sight.*

Thank God For Tommy Grant

*Here's to you, here's to me
Friends and family we'll always be
And if we ever disagree
Fuck you and fuck me*
