John Legend

All of Me

*What would i do without your smart mouth?
Drawing me in, and you kicking me out
You've got my head spinning, no kidding
I can't pin you down
What's going on in that beautiful mind?
I'm on your magical mystery ride
And i'm so dizzy, don't know what hit me
But I'll be alright
My heads underwater
But I'm breathing fine
You're crazy and I'm out of my mind*

[Chorus]

*'Cause all of me loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me, I'll give my all to you
You're my end and my beginning
Even when I lose, I'm winning
'Cause I give you all of me
And you give me all of you...*

*How many times do I have to tell you
Even when you're crying, you're beautiful too?
The world is beating you down
I'm around through every mood
You're my downfall, you're my muse
My worst distraction, my rhythm and blues
I can't stop singing
It's ringing in my head for you
My head's underwater, but I'm breathing fine
You're crazy and I'm out of my mind*

(Chorus)

*Give me all of you
Cards on the table, we're both showing hearts
Risking it all, though it's hard*

(Chorus)

*I give you all of me
And you give me all of you...*

A Blessed Reading For Grandma

By Kelsey-Joan

To my beautiful Grandma, I miss you already. Your loss is immense.

I can't find the right words to express how broken my heart is.

Nothing will ever be the same without you.

I'll miss your smile, your sarcastic wit and your wonderful sense of humor.

I'll cherish the precious time we spent together in your final days.

You were loved unconditionally by all of us.

We may have had our disagreements, but you were truly one of a kind.

Rest in peace. God has gained a special angel.

I love you very much. My heart is shattered beyond repair.

Your passing has taken a part of me with it.

I know you'll be proud of me wherever you are.

You'll be shining like a star and I'll make you proud by being there for my Mam.

Grandma, at least you're no longer suffering or in pain.

You're now in the arms of the angels.

I'll miss you forever.

You were my best friend and soulmate.

I love you now and forever.

Please watch over Auntie Susan and Grandad.

They're my two favorite angels and now you're my third.

Goodnight. Rest your weary wings. Fly high, beautiful.

May you rest in eternal peace.
