**We had our first date on 8th September 2016, on Upper Street Islington and that's why we chose this date to get married. We chose Hastings as we came here for a weekend a few months later and loved spending time by the sea.**

**Thank you to our family and friends for being here on our special day and for the unwavering love and support.**

**We are so lucky to have our wonderful sons Sebby & Henry here with us to help too- they are so excited about carrying the rings!**

**We remember those who cannot be with us today, especially Lucinda's Mum, for whom we have a photo below and will be in our thoughts all day.**

**Love Mr & Mrs Evanshaw xx**
