A vibrant tropical jungle scene. In the foreground, a leopard with a golden-brown coat and black rosettes is looking towards the left. To its left, a toucan with a large, colorful beak (orange, red, and blue) is partially visible. In the upper right, a butterfly with pink and white wings is flying. The background is filled with lush green foliage, including large palm fronds and broad leaves. The entire scene is set against a dark, almost black background, making the colors of the animals and plants stand out.
