*Take the love you had for me
and turn it into laughter
turn it into blinding light
to shine on you thereafter*

*Take the love you have for me
and show it to the world
something so amazing
needs to blossom and unfurl*

*Take the love that made us
keep it burning bright
let that fire guide you
let it warm you through the night*

*Take the love you shared with me
and spread it out with gladness
my life will not have been in vain
if you can fight the sadness*

*Take the love my darling
it's yours to carry on
grow that love forevermore
and then I won't be gone.*

Donna Ashworth

*Remember him with a smile today
He was not one for tears
Reflect instead on memories
Of all the happy years
Recall to mind the way he spoke
And all the things he said
His strength, his stance, the way he walked
Remember these instead
The good advice he'd give us
His eyes that shone with laughter
So much of him will never die
But live on ever after
As we loved you, so we miss you
In our memory you are near
Loved, remembered, longed for always
Bringing many a silent tear.*
