## **The Star**

*A light went out on earth for me  
The day we said goodbye  
And on that day a star was born,  
the brightest in the sky  
Reaching through darkness  
With its rays of purest white  
Lighting up the Heavens  
As it once lit up my life  
With beams of love to heal  
The broken heart you left behind  
Where alway in my memory  
Your lovely star will shine*
