Hymns

Hymn 21: All Things Bright and Beautiful

Hymn 153: Give Me Joy in My Heart

Hymn 560: Will You Come and Follow Me

Hymn 405: One More Step Along the World I Go

It's the sound of the rain coming down when you fall asleep,
It's a call from a friend that you love, but never get to see,
All the time you can waste trying to chase what you'll never need,
Always comes back around to simple things.
