*A wife, a mother, a grandma too,  
This is the legacy we have from you, You taught us love and how to  
fight, You gave us strength, you gave us might.*

*A stronger person would be hard to find,  
And in your heart you were always kind.  
You fought for us all in one way or another  
Not just as a wife not just as a mother.*

*For all of us you gave your best  
And now the time has come for you to rest.  
So go in peace, you've earned your sleep,  
Your love in our hearts we'll eternally keep.*

*Though your smile is gone forever,  
And your hand we cannot touch  
Still we have so many memories  
Of the one we loved so much.  
Your memory is our keepsake  
with which we will never part  
God has you in His keeping  
We have you in our hearts.*

*It is sad to walk the road alone,  
Instead of side by side.  
But to all, there comes a moment  
When the ways of life divide.  
You gave us years of happiness  
Then came sorrow and tears  
But you left us beautiful memories  
We will treasure through the years.*
