'Our Daph' with contributions from family

The Lord's Prayer

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come;
thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation;
but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen.

"Our Daph"

I loved her because I just simply loved her from day one.

I loved her because she was the best sister ever.

I loved her because she gave me a love of musicals.

I loved her because she did colouring and played games with me.

I loved her because she was my mum.

I loved her because she took me to Charlton.

I loved her because she was always happy.

I loved her because how could you not, as Colin would say, she was the lovely Daphne and the one you went to for recipes, knitting, crochet, a giggle and she was more like a sister than a sister in law to me.

I loved her because she made me fried bread and didn't make Grandad any.

I loved her because she was always kind and happy and liked playing with me.

I loved her because she was ALWAYS happy, kind, generous, fun to be around, interested in what we were up to and she would always have been my first choice as a 'phone a friend'.

I loved her because she was always caring and offering me food.

I loved her because she gave me a love of theatres, crafts, crosswords and so much more.

I loved her because she was always honest but in a kind, caring way and made the best sausage plait ever.

I loved her because she was perfect in every way, never without a smile and a kind word. My dad loved his little sister so much and she loved her Bobby with all her heart.

Their relationship was special.

I loved her because she has always loved and cared for us all, family meant everything to her and her love will live on in us forever.

And last but not least from her great grandchildren too young yet to say...

We loved her because she made us smile and gave the best cuddles.

RIP our Daph you will forever be with us.

Lots of Love from your family xxx
