#### **True Friendship**

by Judy Bielicki

It is often said that it is love that makes the world go round. However, without doubt, it is friendship which keeps our spinning existence on an even keel.

True friendship provides so many of the essentials for a happy life - it is the foundation on which to build an enduring relationship, it is the mortar which bonds us together in harmony, and it is the calm, warm protection we sometimes need when the world outside seems cold and chaotic.

True friendship holds a mirror to our foibles and failings, without destroying our sense of worthiness. True friendship nurtures our hopes, supports us in our disappointments, and encourages us to grow to our best potential.

Bride and Groom came together as friends. Today, they pledge to each other not only their love, but also the strength, warmth and, most importantly, the fun of true friendship.

### **THE MARRIAGE**

## **Second Reading read by Sequoia Hearne and Conor Brown**

### **I will be here**

Tomorrow morning if you wake up,  
And the sun does not appear  
I, I will be here.  
If in the dark we lose sight of love,  
Hold my hand, and have no fear  
'Cause I, I will be here.  
I will be here when you feel like being quiet  
When you need to speak your mind,  
I will listen and  
I will be here when the laughter  
Turns to cryin'  
Through the winning, losing and tryin'  
We'll be together 'cause I will be here.  
Tomorrow morning if you wake up,  
And the future is unclear  
I, I will be here.  
As sure as seasons are made for change,  
Our lifetimes are made for years  
So, I, I will be here.  
I will be here and you can cry on my shoulder,  
When the mirror tells us we're older,  
I will hold you and  
I will be here to watch you grow in beauty  
And tell you all the things you are to me  
I will be here.  
I will be true to the promise I have made  
I, I will be here.
