WELCOME & INTRODUCTION

POEM

Missing You Always

Read by

Angela Gregory

*Every time I look at the stars
I know that's where you'll be
Shining like you always do
And watching over me*

*Although the pain I'm feeling
Is with me everyday
The love you left inside my heart
Will never go away*

*Life goes on without you
But it will never be the same
And if I had my time once more
I'd do it all again*

*So when my days are darkest
And I just can't see the light
I'll look up at the brightest star
And you'll be shining bright*

Miss Me But Let Me Go

Read by

Hayley Gregory

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?*

*Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go*

*For this is a journey we all must take
And each must go alone
It's all part of the master plan
A step on the road to home*

*When you are lonely and sick at heart
Go to the friends we know
Laugh at all the things we used to do
Miss me, but let me go*
