

Kirsty MacColl - Days

Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me
I bless the light
I bless the light that lights on you believe me
And though you're gone
You're with me every single day believe me
Days I'll remember all my life
Days when you can't see wrong from right
You took my life
But then I knew that very soon you'd leave me
But it's alright
Now I'm not frightened of this world believe me
I wish today could be tomorrow
The night is long
It just brings sorrow let it wait
Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me
Days I'll remember all my life
Days when you can't see wrong from right
You took my life
But then I knew that very soon you'd leave me
But it's alright
Now I'm not frightened of this world believe me
Days, Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me
I bless the light
I bless the light that shines on you believe me
And though you're gone
You're with me every single day believe me

Memories of Mark

Memories of Mark

THE COMMITTAL

To everything, there is a season

A time to be born and a time to die.

We are glad that we shared our lives with you.

We will cherish all the good things that you brought into our lives.

We will remember your character and your personality,

Your company, your laughter, your love.

We thank you for the memories

And will never ever forget them

Those happy times will forever be a part of us

We commit the memory of you to our hearts and minds.

With love and tenderness, we leave you in peace.
