Poem by Jean Wilson

If flowers grow in heaven and land which is wild and free  
Lord place them in my sisters arms and tell her they are from me

I love her and miss her every day

Tell her there is still so much I would like to say

Remembering is easy she is in everything I do

I will miss her so very much but I know she is safe with you

Lord please take care of her as she was a special sister to me

I know Ken and David will be waiting for her with arms held high

To shower her with love and affection which no one can deny

The family are now together in your care

Amen

Rest In Peace

*Jean and family would like to thank you all for honouring Rena with your presence here today and for all the messages of condolence which have been of great comfort at this time.*

*You are warmly invited to join the family for some light refreshments and to share your own fond memories of Rena at Andrew's home*
