Girl I'm Gonna Miss You
Milli Vanilli

*I knew it from the start you would break my heart
But, still I had to play this painful part
You wrapped me 'round your little bitty finger
With your magic smile
You kept me hangin' on a lover's cross awhile
You put your spell on me
Took my breath away
But there was nothin' I could do to make you stay
I'm gonna miss you
All the love I feel for you
Nothing could make me change my point of view
Oh girl, girl
I'm gonna miss you baby
Giving all the love I feel for you
Couldn't make you change your point of view
You're leavin'*

*Now I'm sittin' here, wastin' my time
I just don't know what I should do
It's a tragedy for me to see the dream is over
And I never will forget the day we met
Girl, I'm gonna miss you
And I never will forget the day we met
Girl, I'm gonna miss you
Giving all the love I'll feel for you
Couldn't make you change your point of view
You're leavin'*

*Now I'm sittin' here, wastin' my time
I just don't know what I should do
It's a tragedy for me to see the dream is over
And I never will forget the day we met
Girl, I'm gonna miss you
And I never will forget the day we met
Girl, I'm gonna miss you*

Appreciation

The family would like to thank you all for your
kind support during this time of sadness.

And we'd like to thank Aimee for the 29 years of love, laughter, bad
hair decisions and bad choices in men
