

A SERVICE TO CELEBRATE THE LIFE OF
Alan David Douglas

18th May 1939 - 8th October 2024

Service held at Breakspear Crematorium

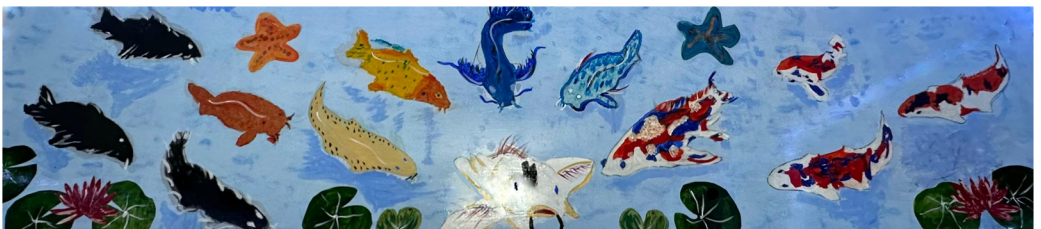

on 8th November 2024, at 2:15pm.

Celebrant: Robin Sanderson

Alan, among other things, was a painter. He had dozens of portraits of family members and celebrities, as well as his own versions of classic paintings and familiar scenes.

His eyesight was poor in recent years, but it did not stop him getting lots of family members each to paint a koi carp as part of his final masterpiece that took pride of place in his living room.
