**Poem read by Kylie Barnes - celebrant**

**God looked around his garden and found an empty place,  
He then looked down upon the earth and saw your tired face.**

**He put his arms around you and lifted you to rest.  
God's garden must be beautiful he always takes the best.**

**He knew that you were suffering, he knew you were in pain.  
He knew that you would never get well on earth again.  
He saw the road was getting rough and the hills were hard to climb.  
So he closed your weary eyelids and whispered, 'Peace be Thine'.**

**It broke our hearts to lose you, but you didn't go alone,  
For part of us went with you the day God called you home.**

**REFLECTION MUSIC**

**Clean bandit - I miss you**

**Helen Rowland best friend- Kylie Barnes to read - celebrant**

**Helen Rowland poem**  
**There will never be a friend quite like you,**

**Reliable, funny and cranky too.**  
**We went through so much people wouldn't believe**  
**And now here I am without you starting to grieve,**  
**For a best friend who was always by my side,**  
**Through good times and bad as my confidant and guide.**  
**We shared so much laughter, we shared our dreams**  
**The trust between us was beyond extreme.**  
**We saw in each other what others could not see,**  
**I was there for you; you were there for me.**  
**We danced, we raved, we waved our glow sticks**  
**I'd make you laugh so much you'd wet your knicks.**

**Our friendship was unbreakable a true bond between two,**  
**I got through so much and it was all thanks to you.**  
**As I sit and count my blessings one thing I know is true**  
**And that's how grateful I am to have had a friend like you.**  
**Grateful for the amazing times we shared over the years,**  
**Times that brought us closer through our laughter and our tears**  
**A poem cannot sum up our bond no matter how hard I try,**  
**And I know you'll tell me off if I start to cry.**

**If heaven is for angels Jenny then I know that's where you'll be,**  
**And I'll know you will be waiting when heaven calls for me.**  
**I bow my head in silence and remember you with love.**  
**And know that you are up there watching and raving from above.**

**They say true friends are hard to find and this is true,**  
**I will never find a better friend than the one I found in you.**
